

## FLORIDA ICE RINK - COACHES NEEDED

**Job Title:** Skating Coach for Private Lessons and Learn to Skate Classes

**Job Description:** Learn to Skate and Private Lesson Coach needed. From part time Class Coach to full time career Skating Coaches either living locally in the Central Atlantic Florida area or looking to relocate from out of state. Good with young athletes and adults as well as skaters just starting out. Ice show and competition experience is helpful and hockey knowledge and experience is a bonus.

SCI programs -

- Freestyle sessions - six days/week Mon-Sat.
- Public Sessions - daily
- Annual Spring Ice Show
- Christmas Ice Show
- Host of Competitions
- Several recitals per year
- Advanced and Beginner Winter, Spring and Summer Camps.
- USFS and World Ranked Theater On Ice Program

Candidates must be fully compliant - current USFS membership, successfully passed a background check, completed SafeSport training, CERs, and liability insurance. Must be US resident.

**More Information:** The Space Coast Iceplex is located on Central Florida's beautiful east coast just minutes away from Cocoa Beach and Kennedy Space Center. The area is growing, as any are drawn to the fantastic weather, beaches and no State Income Tax. SCI is one of the only Olympic sized ice surfaces in Florida and the facility also has a total fitness gym and aerobic center. Ice skating has become very popular in FL and our skating program needs additional coaches to help with the demand. We are looking for coaches with private lesson and group class experience to coach classes, recreational and competitive level skaters. Hockey knowledge and experience is a bonus and would ensure an immediate and large clientele. We have over 500 skaters in the program, many kids and adults taking private lessons regularly, several TOI teams and over 100 participants in every ice show and recital.

**Contact:** Email resume and references to Figure Skating Director Natalia
